KEGG Pathways (sorted by p.adj)

Ribosome
MAPK signaling pathway
Spliceosome
Glycosaminoglycan biosynt ...
Proteasome
Cell cycle
Ubiquitin mediated proteo ...
TNF signaling pathway
Salmonella infection
Pertussis
Hepatitis B
Herpes simplex infection
Transcriptional misregula ...
Colorectal cancer
TGF−beta signaling pathwa ...
Basal transcription facto ...
Osteoclast differentiatio ...
GABAergic synapse
Amphetamine addiction
HTLV−I infection
Other types of O−glycan b ...
Signaling pathways regula ...
RNA transport
mRNA surveillance pathway
Glycerolipid metabolism
Hippo signaling pathway
Cytokine−cytokine recepto ...
Caffeine metabolism
Rheumatoid arthritis
Dopaminergic synapse
Progesterone−mediated ooc ...
Parkinson's disease
Glycosaminoglycan degrada ...
Glycosphingolipid biosynt ...
RNA degradation
